ON CAMPUS ACCOMMODATION

Please go to <http://www.housing.uwa.edu.au/on-campus> for links to Residential Colleges.

Housing at the colleges is NOT guaranteed. Generally the Residential College's review applications on a case by case basis. The most important factor that influences a candidate's acceptance to a Residential College is the information that a future student provides. For example, the Colleges need to know students' personal & academic achievements; why they would like to reside at a Residential College; if they have any special needs; postgrad/undergrad; enrolled course; year/level of study etc.

College Accommodation Application Process

Students can now log onto the UWA Residential College Application Portal <http://www.housing.uwa.edu.au/on-campus> and apply to live on campus in one place. They rank their college preferences from 1-5 and the portal will automatically send their application to the college (starting with their first preference).

OFF CAMPUS ACCOMMODATION

Students will be directed to the Housing Service of Student Services. The Housing Service offers a free and confidential accommodation advisory support service to enrolled students. Housing Officers do not arrange accommodation students but can provide advice and information and manage the Housing Database, which is a self-serve facility allowing enrolled students to view property listings and make their selections accordingly. A number of properties (either on a vacant or share basis) and rooms available for rent in homes in surrounding areas are listed in the Housing Database. Students may then access the information and contact owners or lessors directly to arrange a viewing. <http://www.housing.uwa.edu.au/off-campus>

Homestay options are also available. See <http://www.housing.uwa.edu.au/off-campus/private-board>

New-Zealand and Australian citizens will be eligible for Medicare and do not require OSHC.
